Report on Short Term Spoken English Course

2019-20

A short term course on communication skills is conducted in the institution which was open for the students of all the streams. This workshop was intended to help the students to communicate, to establish smooth relationships and to convince others the value of some course of action. Their communication must be clear, concise, complete, and correct. During the workshop students were encouraged to master the skills of communication. On 10th of October in between the course Dr. Ravishanker Panicker, Assistant Professor, Bhilai Institute of Technology, Raipur was invited for a boost-up lecture. At the end of the session students found themselves able to communicate the basic required things in English language. Total twelve students took part in course and were felicitated with the certificate of attendance. It was ended with an address of Principal of the institution with a greeting of their better future.
